PART II
INFORMATION NOT REQUIRED IN PROSPECTUS

ITEM 24. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 145 of the Delaware General Corporation Law provides, in effect, that we may, and in certain cases must, indemnify any person made a party to any action by reason of the fact that he is or was one of Registrant's directors, officers, employees or agents against, in the case of a non-derivative action, judgments, fines, amounts paid in settlement and reasonable expenses (including attorneys' fees) incurred by him as a result of such action, and in the case of a derivative action, against expenses (including attorneys' fees), if in either type of action he acted in good faith and in a manner he reasonably believed to be in or not opposed to Registrant's best interests. This indemnification does not apply, in a derivative action, to matters as to which it is adjudged that the director, officer, employee or agent is liable to Registrant, unless upon court order it is determined that, despite such adjudication of liability, but in view of all the circumstances of the case, he is fairly and reasonably entitled to indemnity for expenses, and, in a non-derivative action, to any criminal proceeding in which such person had reasonable cause to believe his conduct was unlawful.

Article VI of Registrant's certificate of incorporation provides that no director shall be liable to Registrant or Registrant's stockholders for monetary damages for breach of fiduciary duty as a director to the fullest extent permitted by Delaware law.

Article XI of Registrant's bylaws provide that Registrant shall indemnify, to the fullest extent permitted by Delaware law, any and all of our directors and officers, or former directors and officers, or any person who may have served at Registrant's request as a director or officer of another corporation, partnership, joint venture, trust or other enterprise.

Reference is made to Section 7(b) of the Underwriting Agreement filed as Exhibit 1.1 hereto, pursuant to which the Underwriters have agreed to indemnify officers and directors of Registrant against certain liabilities under the Securities Act.

Registrant has entered into Indemnity Agreements with each of its directors and officers, a form of which is filed as Exhibit 10.6 to this Registration Statement. Under these agreements, Registrant will be obligated, to the extent permitted by Delaware Law, to indemnify such directors and officers against all expenses, judgments, fines and penalties incurred in connection with the defense or settlement of any actions brought against them by reason of the fact that they served as directors or officers or assumed certain responsibilities at Registrant's direction. Registrant has purchased directors and officers liability insurance in order to limit its exposure to liability for indemnification of directors and officers.

ITEM 25. OTHER EXPENSES OF ISSUANCE AND DISTRIBUTION.

The following table sets forth the costs and expenses, other than the underwriting discount, payable by the registrant in connection with the sale of common stock being registered. All amounts

ITEM 28. UNDERTAKINGS.

The Registrant will provide to the underwriter at the closing specified in the underwriting agreement, certificates in such denominations and registered in such names as required by the underwriter to permit prompt delivery to each purchaser.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered hereunder, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The Registrant will:

1. For determining any liability under the Securities Act, treat the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the Registrant pursuant to Rule 424(b)(1), or (4), or 497(h) under the Securities Act as part of this registration statement as of the time the Securities and Exchange Commission declared it effective.

2. For determining any liability under the Securities Act, treat each post-effective amendment that contains a form of prospectus as a new registration statement for the securities offered in the registration statement, and that offering of such securities at that time as the initial BONA FIDE offering of those securities.

During any period during which a prospectus is required to be delivered with respect to sales of shares under this Registration Statement, (i) if the underwriter agrees to release more than 5% but less than 10% of the shares subject to lock-up agreements (the "Lock-Up Shares") as referenced under "Description of Securities--Lock-Up Agreement" in the Prospectus which constitutes a part of this Registration Statement, then the Registrant will prepare and file a supplement to this prospectus with respect to such fact; and (ii) if the underwriter agrees to release 10% or more of the Lock-Up Shares, then the Registration Statement will file a post-effective amendment with respect to such fact.

SIGNATURES

In accordance with the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form SB-2 and authorized this registration statement to be signed on its behalf by the undersigned, in the City of Austin, state of Texas, on July 27, 1999.
