ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS

On April 26, 2002, we consummated the acquisition of Primary Webworks, Inc. d/b/a Vertecon, Inc. ("Vertecon"), a Missouri corporation through the merger of Vertecon, with and into our wholly-owned subsidiary, Perficient Vertecon, Inc., a Delaware corporation. Perficient Vertecon, Inc. is the surviving corporation to the merger.

We acquired Vertecon for an aggregate purchase price of approximately \$3,383,000, subject to certain post-closing adjustments. The purchase price consists of 1,994,586 shares of our common stock (of which approximately 551,985 shares are being held in escrow for disposition by the escrow agent in accordance with the terms of the Agreement and Plan of Merger (the "Vertecon Merger Agreement"), dated September 30, 2001, by and among Perficient, Inc., Vertecon, Perficient Vertecon, Inc. and certain shareholders of Vertecon), the assumption of outstanding Vertecon options and direct acquisition costs. The shares of common stock issued in connection with the merger were ascribed a value of \$1.44 per share, which was the average closing price of our common stock at the public announcement of the transaction on October 3, 2001 (for financial reporting purposes). A copy of the Vertecon Merger Agreement was previously filed with the Securities and Exchange Commission on November 15, 2001 as an Appendix to our Registration Statement on Form S-4 and Preliminary Proxy Statement and is incorporated herein by reference as Exhibit 10.1.

Prior to the acquisition, the assets of Vertecon were used to provide Internet consulting services to its customers. We intend to continue such uses for the assets of Vertecon.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the full text of the Vertecon Merger Agreement, a copy of which was previously filed with the Securities and Exchange Commission and is incorporated herein by reference as Exhibit 10.1.

On April 26, 2002, we consummated the acquisition of Javelin Solutions, Inc. ("Javelin"), a Minnesota corporation, through the merger of Javelin with and into our wholly-owned subsidiary, Perficient Javelin, Inc., a Delaware corporation. Perficient Javelin, Inc. is the surviving corporation to the merger.

We acquired Javelin for an aggregate purchase price of approximately \$5,772,000, subject to certain post-closing adjustments. The purchase price consists of 2,216,255 shares of our common stock (of which approximately 1,108,127 shares are being held in escrow for disposition by the escrow agent in accordance with the terms of the Agreement and Plan of Merger (the "Javelin Merger Agreement"), dated October 26, 2001, by and among Perficient, Inc., Javelin and Perficient Javelin, Inc. and the shareholders of Javelin), \$1,500,000 in non-interest bearing promissory notes, the assumption of outstanding Javelin options and direct acquisition costs. A portion of these notes with an aggregate principal amount of \$1,000,000 (subject to reduction based on defined working capital requirements of Javelin at closing) are payable in four equal annual installments. In addition, notes with an aggregate principal amount of \$500,000 (all unpaid installments of these notes issued to certain employee shareholders are subject to forfeiture upon the termination of such employee shareholder for any reason during the two year period following the closing) are payable in eight quarterly instalments. The net present value of these notes is estimated to be \$1,298,000 based on an assumed interest rate of 7.5% (for financial reporting purposes). The shares of common stock issued in connection with the merger were ascribed a value of \$1.70 per share, which was the average closing price of our common stock at the public announcement of the transaction on October 29, 2001 (for financial reporting purposes). A copy of the Javelin Merger Agreement was previously filed with the Securities and Exchange Commission on November 15, 2001 as an Appendix to our Registration Statement on Form S-4 and Preliminary Proxy Statement and is incorporated herein by reference as Exhibit 10.2.

Prior to the acquisition, the assets of Javelin were used to provide Internet consulting services to its customers. We intend to continue such use for the assets of Javelin.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the full text of the Javelin Merger Agreement, a copy of which was previously filed with the Securities and Exchange Commission and is incorporated herein by reference as Exhibit 10.2.
